Sir,

I have the honour to forward herewith letter No 80/1 dated 17-1-38 received from the President, Kolar Town Municipal Council, proposing to carry out the money transactions in the local branch of the Mysore Bank newly established instead of in the District Treasury as at present and to state that the proposed change is a beneficial one for the reason that interest is allowed on each day's balance in the Bank and no interest is derived on the balances of the Municipality in the Government Treasury

2 An extra income, however small it may appear to be, is advantage and an addition to the poor finances of the Council

3 I therefore request you to be so good as to kindly obtain very early sanction of Government to the proposal of the Council

4 Copy of the resolution of the Municipal Council passed at their meeting held on 30-11-37 is herewith forwarded for favour of reference

I have the honour to be,
Sir,

Sir,

In forwarding herewith a copy of the resolution of the Municipal Council passed at their meeting held on 30-11-1927 in the matter of carrying the money transactions of this Municipality in the Branch of the Mysore Bank newly established in Kolar town instead of in the District Treasury as at present I have the honour to state that the reason for such a change proposed by the Municipal Council appears to be that no interest is derived on the balances of the Municipality in the Government Treasury while the Mysore Bank allows it on each day's balance

OFFICE OF THE 7723 23 JAN 1928 SCIENCE GI KOLAR

C 15-76

This is evidently an advantage to the Municipality however little the extra benefit may be as the present financial condition of the Municipality is very slender and every income to it, however small it may be, is considered a substantial advantage I request that the proposal of the Council may kindly be recommended to Government for favourable consideration and orders

I have the honour to be
Sir
